VISION: *That every child in Ottawa County feel safe and secure within a stable family.*

MISSION: *Serve as an agent of collaboration for all public and private agencies willing to participate as partners in the effort to help families stay together. Partnerships will be developed as necessary to meet the multiple needs of our children and their families.*

Family & Children First Council started as an initiative of the Governor's office in 1991, and has been in statute since 1993. Every county in Ohio has a Family and Children First Council. Each Council includes public and private agencies as well as, family representatives. Council members work collaboratively to enhance the well-being of their county's youth and families.

Together, and through their Shared Plan, the Ottawa County FCFC works to identify and address the ongoing needs of children and families through planning, implementing effective strategies monitoring and reporting, and evaluating progress toward achieving desired outcomes.
